25th September 2026

Dear Parents and Carers,

As we reach the end of our first four weeks back at Eaton Bank Academy, I would like to take this opportunity to reflect on what has been a tremendously positive start to the new academic year.

Our new Year 7 and Year 12 students have settled into school brilliantly. They have quickly embraced the routines and expectations of academy life, and their excellent work ethic has been evident from the outset. It has been a pleasure to see them approach their studies with such enthusiasm, maturity and determination.

Across the school, the atmosphere throughout each day has been calm, purposeful and settled. Students are working hard in lessons, moving around the site sensibly and making the most of the opportunities available to them. This strong start reflects the commitment of our students and staff, together with the encouragement and support you provide at home.

Beyond the classroom, school life is already in full swing. Rehearsals have begun for this year's school production of *Les Misérables*, and we are excited to see the cast and production team bring this ambitious show to life over the coming months.

Our Year 6 Open Evening was incredibly successful and exceptionally busy. It was wonderful to welcome so many prospective students and their families and to give them the opportunity to experience the warmth, ambition and high expectations that characterise Eaton Bank Academy.

Sixth Form Open Evening: A quick reminder for all Year 11 families that our Sixth Form Open Evening is on **Thursday 1 October from 5.30pm**. We offer a fantastic range of A-Level and vocational courses, so there is something to suit every student's interests and ambitions. Come along to meet our teachers and students, find out more about life in the Sixth Form and see the support and opportunities on offer. We would love to see you there.

Benedict's Law and Allergy Safety

Benedict's Law has been introduced to help schools make sure that students with allergies are kept as safe as possible. For us, this means working together as a whole school, making sure staff have the right training and plans in place and being ready to respond quickly if a student has an allergic reaction.

As part of this, Eaton Bank Academy is now a **'nut aware' school**. We kindly ask students, wherever possible, not to bring foods containing nuts into school, so please keep this in mind when preparing packed lunches and snacks. We know it can be difficult to avoid every trace of nuts, but your help makes a real difference in keeping everyone safe. Thank you for your support. Our school kitchens remain completely nut free.

Thank you, as always, for your continued support. We are very proud of the way our students have begun the year and look forward to building on this excellent start during the weeks ahead.

Best wishes,

Ed O'Neill
